Headquarters, United States Air Force
Washington 25, D. C.

Dear Jim:

I want to express appreciation to you for making it possible for thirteen CIA officials to attend the recent Air Force Firepower Demonstration at Eglin.

The arrangements made through Colonel Prouty for this trip were efficient and pleasant. All of our representatives found the Demonstration most impressive and informative.

Again, many thanks.

Sincerely,

G. P. Cabell

EXECUTIVE REGISTRY FILE

13 October 1958

MEMORANDUM FOR: DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE
THROUGH: Deputy Director (Plans)
SUBJECT: Air Force Fire Power Demonstration

1. As just one of those who took the subject trip on 8 October 1958, I wish to say that I felt that the occasion was most worth while. I wish also to say that the Air Force arrangements for taking care of us could not have been more pleasant and efficient. I hope very much that an appropriate representative of the CIA will convey my "Thank you" to the USAF.

2. I cannot speak directly for the other members of the CIA party, but from the comments I heard as we returned Wednesday evening, I am sure that all of them would join me in this expression.
